

Not Biting Good  
Report on 3 Days  
That Were All Bad

If our humor has a bite today it's because of the letter we received Wednesday's mail from Rosston. It went like this:

Editor The Star: I saw in the paper Saturday (Friday's city edition, Saturday on the mail) where a woman in Birmingham, Ala., wanted the highway department to look out for her false teeth. It didn't give her name or where she lost them. About two months ago there was an upper plate found in front of Floyd Sutton's store on Highway 4. If you know the name and this is her plate she can get it. Yours

OLIE SUTTON

July 21, 1953  
Rosston, Ark.

It was thoughtful of Mr. Sutton to report this find, but I doubt whether it's the plate in question. I looked up the Associated Press item of last Friday, and it said the woman reported to the Arkansas Highway Department that she lost her upper plate all right, but was on U. S. 70 between Little Rock and Memphis. Her name wasn't learned.

That would put the loss a few pieces from Rosston, and probably the plate found on No. 4 wouldn't fit.

But someone is in bad shape to tackle corn-on-the-cob, which is very good right now, and this is an absolutely free mention about the find at Sutton's store, Rosston, so the loser can repair there at once.

Some part of our public insists that editors, advertising men, and printers have a snap—usually just a newspaper to the average town, no competition, and so forth. Those cynics ought to have been around The Star the last three days—either in the front office or the shop, it would have been the same grief in either spot.

At 10:25 a.m. Monday the Teletype telegraph-printer in the front office paused at the end of a line—and didn't write another intelligible word for five hours. Suddenly the teletype printer in the shop, feeding coded type to the linotypes, being on the same wire, also quit. We went to press Monday with what type we had, after checking by telephone to make sure nothing important had happened in the world past noon.

In the post-mortem late Monday it developed that lightning had struck the Southwestern Bell telephone system at our filing point in Hot Springs, requiring overnight replacement of equipment. Tuesday morning we had a terrible wire, barely readable in the front office and requiring from a quarter to a third of all the linotype slugs to be corrected in the shop. By this time they were retuning our transmitter in Hot Springs.

We had more of the same on Wednesday—but after going to press Wednesday we learned that the wire was O. K. again and so both our front-office and shop telegraph receivers had to be retuned the new frequency. As of 3 p.m. Wednesday we were once more getting the English language correctly over the wire—after three days of trouble.

The automatic equipment which newspapers use today is very wonderful. But it's wonderful the way an automobile is wonderful; it can take you places so far away that if you have mechanical trouble you may never get back.

Today a country newspaper like The Star receives more than 30,000 words of teletype news in eight and a half hours. When the system is running smooth it's nice—but when those 30,000 words are scrambled the situation is exactly like a lone automobile down with a broken axle at a fishing camp 50 miles from a telephone. . . . you never knew you could get into so much trouble so fast.

Mrs. W. J. Martin Dies, Rites Friday

Mrs. W. J. (Rosa) Martin, 94, resident of Nevada county, died at her home near Prescott Wednesday night.

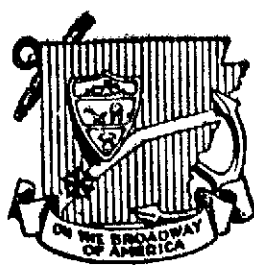

Survivors include three daughters, Mrs. C. C. Wooley of Prescott, Mrs. Alta Erwin and Mrs. B. F. Johnson of Hope; three sons, Lige and Hugh of Prescott, and Henry of Texarkana; also 20 grandchildren, 19 great-grandchildren, and three great-great-grandchildren.

Funeral services will be held at Harmony Church near Sutton at 3 p.m. Friday.

## Uranium Mine Riots Rocking East Germany

By DON DOANE

BERLIN (AP) — New riots in the Soviet-run uranium mines of East Germany were reported today as a fresh wave of arrests by Communist police spread over the rebellious Russian zone.

The U. S. High Commission newspaper, Neue Zeitung, said troops of the East German "people's army" have been rushed into the Er Gebirge (uranium mining) area along the Czech border to put down the miners' new uprising.

The paper said 200 miners have been arrested this week for "open rioting." They were demanding release of 1,200 comrades arrested in the big anti-Communist revolt of June 17.

Schwarzenberg and Johanngeorgenstadt, two mining towns between Aue and the Czech border, were named as the main trouble centers. This area produces rich uranium ore used by Russia to make atom bombs.

A new campaign of terror swept through the Communist zone as police and courts combined in a concerted drive to suppress the danger of a new mass revolt.

Refugees fleeing to West Berlin told of night raids by police into hundreds of homes and mass roundup of suspected trouble makers in many cities. They said the wave of arrests began Tuesday.

"Red Hilde" Benjamin, the new justice minister, was busy carrying out her announced program of cracking down on strikers through the court system she heads. Hundreds of people acquitted and released after the June 17 revolt were reported rearrested. Others who got off with light sentences have had their cases reopened for an increase of penalties.

Many Justice Ministry workers were reported fired—and some arrested—for dealing too gently with riot participants.

Police joined civilians in fleeing before the wave of Communist vengeance. Twenty-one members of the Communist "people's police" and 562 other refugees, including a former state secretary in the East German Construction Ministry, reported to West Berlin police yesterday and asked for asylum.

Unconfirmed reports of partisan resistance along the German-Polish border continued to seep through the Iron Curtain.

## Mrs. E. Smith, 53, Dies at Spring Hill

Mrs. Eddie Smith, 53, died at her home in Spring Hill Wednesday afternoon.

She is survived by her husband; two sisters, Mrs. Lillie Smith and Mrs. Cora McDay of Hope; and a brother, Lee Nations of Hubbard, Texas.

Funeral services will be held at 2 p.m. today at the Spring Hill Methodist Church with the Rev. Claude Clark and the Rev. Dexter Bailey in charge. Burial was to be in Bethany cemetery.

## Walter S. Robertson, Ike's Envoy to Korea, Isn't Usual Diplomatic Double-Talker

By JAMES MARLOW

WASHINGTON (AP) — Walter S. Robertson is a 59-year-old Virginian who comes into a room like a much younger man. He looks like one you'd pick, at first glance, for the job of calming people down.

That may have been a reason why President Eisenhower sent him to South Korea in June to talk to President Syngman Rhee. Another was the fact that he is assistant secretary of state for Far Eastern Affairs.

At the time, as he is now once more, Rhee was the biggest problem in the Far East. He was threatening to block a Korean truce. Rhee is an extraordinary man who needs more than ordinary handling. He got it from Robertson, now back here.

The trim Robertson looks like a relaxed and self-confident businessman, which he was: An investment banker in Richmond until Eisenhower tapped him for the State Department.

But, unlike some other State Department officials, past and present, Robertson is neither ponderous nor afflicted with that vague and rubbery kind of talk which grows like weeds in the language of diplomats.

This is not Robertson's first job

## Russians Were Friendliest of People Before Blast of the Cold War, Says Gilmore

Editor's note — Eddy Gilmore, for 11 years an AP correspondent in Moscow, is back on "the right side of the iron curtain," as he expresses it. In this story, third of a series to appear here this week, Gilmore gives a glimpse into Moscow life as foreigners used to live it, and as they have lived it since the cold war developed.

By EDDY GILMORE  
PARIS (AP) — The cold war started, and a frigid wind began to blow from Joseph Stalin's Kremlin, cooling off any faint hope of American-Soviet cooperation and growing friendship. The air from Washington wasn't exactly warm, either.

It would be incorrect to say that Americans in Moscow, even during the greatest moments of wartime peace and talk, were with the people and compared to what happened later, we led a charmed life. I left an official party at 2:20 one morning, arm in arm with a man who is now a marshal in the Soviet army. With other Russians and foreigners from some of the embassies, we journeyed to my apartment.

This high military man, once inside my modest place, lit the candles, turned down the lights and sat down at the piano and played until dawn. It all seemed not very unusual then.

Another time I found myself at

a big Russian dinner. More than 60 persons at one long table. I seemed to be the only foreigner present.

"Eddy Eddyovich," said my host, "I've found something for you." He proudly whipped out a bottle of Scotch.

A little dark man near me, who looked like a party type, shuddered, he looked around him with what I thought was considerable suspicion, and turned to a major general in the Soviet army.

"Comrade General," said the party type, "Scotch whisky (Whisky) is the way he said it in Russian) may be all right for some people, but I prefer our Russian vodka, don't you?"

The general, who had a stout hooker of Sheldensky viskey in his right hand, gave him a cold eye.

"No," he said, "I'm not that chauvinistic." You invited Russians to your apartment and some of them came. Some of them invited you to their places. You find yourself at real Russian parties that must not have changed over the years. And there were lots of Russians about.

You liked the people and they seemed to like you. I'm not referring to the small group of Russians who had been approved for contact with foreigners. They were always about, too.

## House Lops Off Billion Foreign Aid

By RUSSELL BRINES

WASHINGTON (AP) — President Eisenhower, rebuffed in the House, looked to the Senate today to restore to foreign aid funds some of the \$1,000,000,000 cuts he says are too deep.

The House ignored the President's late-hour plea last night and approved without major change a total of \$4,438,678,000 in new foreign aid funds for the year which started July 1.

Eisenhower had requested \$5,138,922,227, some 2½ billions less than recommended by former President Truman.

House approval was by a 288-115 rollcall vote. The appropriation was supported by 128 Republicans, 150 Democrats and 1 independent, with 82 Republicans and 33 Democrats voting against it.

## Nazarene Church Begins a Revival

The Rev. T. C. Potts, pastor of the Church of the Nazarene at Pitt and Pine, began a revival Wednesday night, to run through August 2. The Rev. O. S. Free will be the evangelist.

The Rev. Mr. and Mrs. Harold Morgan will be in charge of the music and singing. The Rev. Morgan is a recent graduate of the Theological Seminary in Kansas City, Mo., and is now pastoring the Church of the Nazarene in Prescott.

Services will begin each night at 7:45.

## Strike Threat Looms for ½ Million

WASHINGTON (AP) — Well over a half-million workers are poised for a possible mid-summer series of strikes across the nation.

They include about 100,000 workers in the vital copper-producing industry and more than 5,000 at the Oak Ridge, Tenn., atomic energy plants.

Many of the unions involved are seeking pay boosts like those granted this year in the steel and auto industries. Pay increases have been running in the neighborhood of 5 to 10 cents an hour.

Probably the most imminent strike threat is at the Oak Ridge atomic plants, where AFL workers are asking higher wages and other benefits, one of the installations threatened with strike action is the atomic laboratory which builds experimental projects for scientists.

The Federal Mediation and Conciliation Service won a 10-day postponement of a threatened strike at Oak Ridge but the respite period runs out at midnight Sunday.

Nearly 200,000 telephone workers across the nation are talking of strike. The CIO's communications workers union says it has not set any date as yet for a walkout. But phone exchange workers in Los Angeles, several cities in Indiana, and in Maryland and Virginia have staged "quickie" walkouts of several days each.

The International Union of Mine, Mill and Smelter Workers (I. M. S. W.) recently announced that workers at the Anaconda, Kennecott, Phelps-Dodge and American Smelting and refining companies voted 9-1 for strike action.

Building and construction workers in several important areas, including 200,000 in the New York City area, are talking of walkouts, too. Another dispute involves 75,000 in the San Francisco area. Still another involves 17,000 in the Beaumont, Tex., area.

## British Feel Malenkov's Job Is Shaky

By ARTHUR GAVSHON

LONDON (AP) — Leaders of Britain's government were reported far from convinced today that Premier Georgi M. Malenkov wields total power in the Soviet Union.

Qualified informants said Prime Minister Churchill and his colleagues, on the basis of their own information from Moscow, would not be surprised if changes even more dramatic than the purging of Lavrenty P. Beria take place in the Russian hierarchy, and within the foreseeable future.

Government spokesmen did not express these views officially. But the private opinions were given considerable support by Acting Prime Minister R. A. Butler's statements to Parliament yesterday.

"Some of them are my personal friends," he said. But he had no

## Couple Jailed Here, Wanted in Houston

By United Press

Arkansas authorities are holding a man and a woman in jail here today for Houston, Tex., authorities who want to question them about the recent murders of two men in Alabama.

The couple was identified today as Wayne Martin Walker, 34, and Gloria Williamson, 23. They were arrested by Texarkana, Ark., city police early this week and questioned about the \$5 armed robbery of a grocery store and filling station July 13 at Beebe, Ark.

Hempstead county authorities said they had refused to sign a waiver for return to Texas. The car in which they were arrested was stolen in Houston, officers of State Police Capt. A. Templeton said in Little Rock that no charges will be filed against the couple, and they merely were being held for Houston authorities who were expected to arrive today.

The couple was hurriedly indicted at Houston late yesterday. They were charged with theft of an automobile taken from a downtown Houston street.

Persons seeking a governor's extradition warrant were airmailed to Austin and Harris County Sheriff Troy McGinnis was to pick up the warrant today.

Sheriff C. V. (Buster) Kern of Houston wants to question Walker and Miss Williamson about both the hammer murder of Eugene Sullivan of Lipscomb, Ala., and Arman Julius Pruitt, another Alabama man who was stationed at Sheppard Air Force base at Wichita Falls, Tex.

Pruitt, who was en route to Houston to pick up his wife and child, was a ride murder victim. His body was found at Ennis, Tex., 18 miles north of Houston, the week end Sullivan was killed.

Sullivan's body was found July 13 near Houston. He had been dead about 48 hours.

Kern has theorized that the two murders might be connected. At Houston, today, Loyd Frazier, assistant chief deputy sheriff, said Walker and Miss Williamson weren't considered such "hot" suspects until they began fighting ex-tradition to Texas on the stolen automobile charge.

"Does it look like they'd be that much interested in staying out of Texas if all they had to face was a stolen car charge?" he asked. Miss Williamson was indicted under one of a dozen and a half aliases. Her real name is Gloria Agnes McGuire. She was born at Silvestre, La., and has been arrested for minor offenses more than 18 times at Houston during the last two years.

Harris county officers said at Houston a search of her luggage in Arkansas revealed a blood-stained dress.

At Texarkana, however, Police Chief Max Tackel refused to tell a newsman whether any weapon was found in the couple's car.

"But I will tell you this," Tackel said. "They had been all over the Southwest since they were stolen car between July 5 and Monday, when they were picked up here."

Sheriff Kern left Houston Monday for Kansas, in an effort to trace Sullivan from Montezuma, where he left July 8 with \$177 he had earned working in a wheat field near Houston, where his body was found.

## Last 'Phone Rate Hearing Under Way

LITTLE ROCK (AP) — What may be the last hearing on Southwestern Bell Telephone Co. request for rate increases was held by the Public Service Commission today. The company has asked the PSC for a \$3,850,000 permanent yearly increase in rates.

Today was the company's turn to offer testimony in rebuttal to witnesses who have said they did not think Southwestern Bell needed an increase or at least not one so large.

Lewis Robinson, chairman of the PSC, said that if another session is required for cross examination of the Bell witnesses who testify today, the hearing probably will be Aug. 6.

The hearings, separated into six parts, began in April. Robinson said that the commission probably would hand down a decision in September.

## Father of Mrs. Springer Dies

Dr. R. W. Griffin of Tiptonville, Tenn., died July 23 in a Memphis hospital after a brief illness. Survivors include a daughter, Mrs. L. D. Springer of Hope. Funeral services will be held Friday at 10:30 at Tiptonville.

## 3-Inch Rain Sweeps Texas Drouth Belt

AMARILLO, Tex. (UP) — More than three inches of rain fell in the heart of the Southwest drought disaster area last night and early today.

Life-saving rains also soaked Kansas, and recent showers in Oklahoma were reported to have eased the crisis there.

In Eastern Texas, lowlands of the Sabine river were flooded near Mineola. Rains of from two to three inches were reported yesterday over part of the Sabine watershed.

Mrs. R. R. Rucker, river observer for the Lake Charles, La., weather bureau, said the river was above flood stage of 13 feet and some lowlands covered. Paul S. Cook, chief of the Lake Charles Bureau, predicted a crest of three feet above flood stage by Saturday.

Amarillo, in the Texas panhandle, was visited by President Eisenhower recently when he attended a drought conference with governors of six Southwest states.

Last night's three-inch plus rain was accompanied by peaseize hailstones and a severe electrical storm, and lightning touched off a fire that burned a nightclub to the ground.

Meanwhile, a sharp controversy over a so-called "pauper's oath" for farmers who wanted to receive federal feed at cut-rate prices seemed to be dying down.

Secretary of Agriculture Ezra T. Benson telephoned Gov. Allan Shivers of Texas yesterday and sent telegrams to chairmen of state drought committees in seven states, saying federal regulations do not "contemplate giving an out of any kind or even requiring financial statements to obtain feed under drought emergency program."

Shivers told the angry farmers and ranchers that drought relief rules had been "misinterpreted all along."

The downpour at Amarillo was the heaviest in the city since May 15, 1951. On that date, 3.00 inches fell, and over a three-day period the panhandle city was soaked with 8.35 inches.

Water from last night's rain backed up a draw and flooded one house with four feet of water. At an intersection, the water was four feet deep. A small creek running through a city park was 75 feet wide at the height of the storm and park benches were swept downstream.

Rain also fell in Texas at other scattered points, most of them in the western section of the state where the drought hit hardest.

Rains leapfrogged across western Kansas. Some farm areas reported as much as three inches, the most in two years. Garden City, Kan., reported 1.25 inches. One rural area received .50, the most in any one day since Sept. 7, 1951.

Most of Oklahoma missed out on the showers. But Gov. John S. Murray said recent showers had changed the drought picture in the state so much that he has canceled plans to hold emergency meetings with farm leaders over the situation. One Oklahoma county, Alfalfa, has already asked that

## Big Rise in U. S. Korea Casualties

WASHINGTON (AP) — Latest reported U. S. casualties of Korean war. The biggest weekly rise since Nov. 7, 1951 reflect recent heavy fighting in Korea to stem Communist attacks.

The figures, released yesterday, bring total Korean casualties to 130,272. This was an increase of 1,026 in a week since 537 of the cases were listed as injuries, sicknesses or deaths of a non-battle nature.

## ROKs Storm Top of Hill, Then Lose It

By FORREST EDWARDS

SEOUL, (AP) — South Korean infantrymen fought with bayonets, knives and rifle bullets in the top of strategic Sam Hyon Hill in central Korea today but were beaten off in a savage five-hour fight with a reinforced Chinese regiment.

North of Sam Hyon, Allied air and ground observers reported sighting Chinese troops. Allied big guns shelled two separate Red battalions massing north of the battle line, plus a concentration of about 40 Red trucks and six tanks.

Rugged Sam Hyon Hill overlooks important territory on the Kumsong Bulge line, which the South Koreans established after being forced back last week by the midnight Red offensive in two weeks.

The action, described by American advisers to the ROKs as "intense and close range," was one of three fierce battles along the relatively quiet front line, in addition to more than 40 patrol-alarms and small Red jabs.

The South Koreans jumped off against Sam Hyon at 7 a. m., fought their way to the top in hand-to-hand combat by 10, then were forced back shortly after noon by a reinforced Red battalion—more than 3,000 soldiers.

On the eastern flank of the Kumsong Bulge, men of the U. S. 3rd Infantry Division hurled back some 150 Reds who lobbed hand grenades into their trenches during a bloody hour-long fight.

"So the work thing," South Koreans tore up a 200-man Red attack in a four-hour seesaw battle for an outpost.

Allied fighter-bombers dropped more than 300 tons of bombs on Red front-line positions today, particularly in the Kumsong Bulge, the Air Force said.

Eighteen American B29s fought off Communist jet night fighters early this morning while on bomb runs over two Red airfields in northwest Korea. The Air Force said all returned safely.

## Ex-Hope Man Is National Winner

NEW YORK — Richard D. Warrendorf, Box 471, Humboldt, Tenn., and former Hope, Ark., resident, has been named 17th prize-winner, Senior Division, in the nationwide "Folks Are Fun" photo flash contest sponsored by Sylvania Electric Products Inc. Mr. Warrendorf submitted an amusing photograph entitled "Snake Charmer" which was awarded a prize of photo merchandise. Mr. Warrendorf is a son-in-law of Mr. and Mrs. Marc Yocum.

Entries were submitted from 48 states, the District of Columbia, Alaska, Hawaii, Puerto Rico, Guam and the Panama Canal Zone. Children were the most popular subject while children with animals ran a close second.

## Ladies Wanted Equality So They've Got It, Including the Right to Have Ulcers

By HAL BOYLE

NEW YORK (AP) — Lady, do you have an ulcer?

If not, why not? Particularly, if you are in the business world, why not? Are you letting your own fair sex down by refusing to have an ulcer?

Men used to enjoy almost as much of a monopoly on ulcers as women did on motherhood. Not any more. In a century that believes in fair play for all, modern women are no longer denied the right to acquired ulcers as well as money.

Some experts believe ulcers are becoming increasingly common in both men and women. But why?

Are more men getting ulcers as a result of the fact they feel insecure because they have to compete professionally with women? Dr. Lawrence E. Hinkle, Jr., a Cornell University medical professor, leans to this theory. And, he added, "more women have ulcers now than when they stayed home and let their husbands make the decisions."

It seems to me that in this theory science stumbles and falls flat on its premises. Since when did women, merely because they stayed home and had babies, let their husbands make the major de-

## Final Draft Reached on Trucece Terms

By ERNEST HOBERECHT

SEOUL, Korea (UP) — Dependable sources said today the Abolition and Communist had completed all details of the Korean armistice and sent it back to their governments for approval.

These sources said all that is needed now is a meeting of the full delegation—ratification of the armistice terms, and setting the date for the elaborate signing ceremony at Panmunjom.

The United Nations was ready to sign if the Communists are willing, the sources said. It is up to the Reds to decide what to do in view of South Korean President Syngman Rhee's latest threat to torpedo the truce.

Rhee today said it will not tolerate any last-minute interference with a truce.

U. S. Ambassador Ellis O. Briggs called on Rhee today and gave him a copy of a statement on Korea made in Washington yesterday by Secretary of State John Foster Dulles.

In the statement, Dulles said Rhee promised in writing to honor a truce after the United States ordered to help protect and rebuild his war-torn country. Dulles said he was "confident" Rhee would live up to his word.

The American ambassador once more made clear to Rhee that the United States will sign a truce "with or without" South Korea.

Rhee yesterday insisted Chinese troops must leave Korea within six months after armistice day or else his country would be free "to follow our own course of action."

Despite the uncertainty created by Rhee's latest threats, a truce, the Communists are ready to go ahead on the basis of U. N. assurances there is no time limit on the armistice.

By JOHN M. HIGHTOWER  
WASHINGTON (AP) — The United States sought today to hold Syngman Rhee, president of South Korea, from threatening to explode the bright promise of an armistice.

The line of U. S. diplomacy in the latest of many crises in the truce efforts, was laid down in a statement by Secretary of State Dulles declaring that the United States assumes Rhee "will abide by his assurances" not to obstruct a cause-peace.

The statement, issued yesterday after a few hours' delay, now demands from Seoul, reviewed promises made to Rhee for American support and security guarantees, if he cooperates, but emphasized, at both its beginning and end, that Washington expects Rhee to "honor the assurances he has given."

A copy of the statement was formally delivered to Rhee today by U. S. Ambassador Ellis O. Briggs.

The South Korean President, according to information available, started the new series of attacks because he had a feeling he had been let down by the United States in assurances given to the Communist command in Korea a few days ago and made public Sunday.

U. S. officials were fully aware, therefore, that their utmost diplomatic skill would probably be required to get Rhee eventually to go along.

They were understood to be pressing for the fastest possible windup of truce negotiations in order to get the agreement signed, if possible, before Rhee can fully reverse his position.

Officials and diplomats say the trouble between Rhee's South Korean government and the U. S. government is simply this: "The United States is determined to end the Korean War if the Reds will agree. Rhee considers the truce a trap and a defeat for his aim of unifying his country. He is therefore trying stubbornly to keep the way open for a possible future renewal of the war with American support."

In the increase of ulcer has in the spread of a new business cult known as "ulcer worship." The ulcer is less an affliction than a badge of success, the proof that a real go-getter has been successfully going and getting.

Ulcer idolatry has reached such a point in some fields, notably advertising, television and movie-making, that anyone who works five years in these vineyards without developing an ulcer is regarded suspiciously as hopelessly shiftless, a secret misanthrope, or a born shooft.

This has given rise to the false, or built complex, ulcer. "The boss has got a bad ulcer, and if I don't get one, too, he will start thinking I'm not doing my fair share of worrying," reasons this victim. And sure enough, he comes down with an ulcer. You don't have to stand in line for them. They're free.

But there is a fine rule of thumb

Visiting Around Arkansas BY JOE MARSH

THE BIGGEST IN THE WORLD

At the risk of getting watermelon seeds in my ears and water on the brain, I am going to the Hope Watermelon Festival again this year. The affair started a good while ago as the Hope Watermelon Festival, but it grew and grew until it took in the whole county. I've never seen a man, woman or child who didn't love good watermelon and the folk in Hope County know how to grow quality products that are known all over the nation. Many of the prize melons weigh over 100 pounds. Folks down there like to send them to their favorite sons or prominent people far from here. I'm one of the catch-as-catch-can eating school and like to bury my nose in a big slice—consuming my ears, but getting a lot of fun out of it.

## B. & P. W. Club State Board to Meet 25th

The state Board of the Arkansas Federation of Business and Professional Women's Clubs will meet July 25-26 at the Hotel Marion in Little Rock.

The executive committee will convene at 4:30 p.m., and a dinner will follow at 6:30 p.m. Mrs. Gertrude Witt, state Program Co-ordinator, chairman, will be in charge of reservations.

Sunday morning breakfasts will be held at 8:30 as follows —

Club Presidents, Miss Dossie B. Cox, state president, presiding; district directors, Dr. Elvora Cawthon, first vice-president, presiding; state chairmen, Mrs. Fannie Beard, second vice-president, presiding; and club treasurers, Miss Sybil Wartham, state treasurer, presiding.

Workshops will be conducted between 10 and 11 a.m. for education and vocations, public affairs, international relations, health and safety and membership.

Members will attend church services at 11 a.m. and luncheon will be held at 12:30 p.m. when the president will report on the National Board meeting which she attended in New York City early this month.

Miss Fannie Hardy, National Public Affairs chairman, accompanied Miss Cox to New York.

Those B. & P. W. members from the Hope club planning to attend the state Board meeting are: Miss Rosa Harris, club president; Mrs. Belle Klipsch, education and vocations chairman; and Mrs. Naomi Patterson, program co-ordinator chairman.

illusions about their intentions. He would have short patience with anyone who has the notion the Chinese Communists, like Yugoslavia's Tito, could be won away from Moscow. "They hate America," he said.

At the time Robertson went to Korea, Rhee had whipped himself and his people into a lather, threatening to fight the Chinese single-handed.

If Rhee was highly emotional, and even extreme in his position, it can be understood. He had devoted his whole life to one project: Seeking independence for Korea, first from the Japanese and

carried a cluster of white gardenias.

After a wedding trip along the Gulf Coast the couple will be at home in LaMarque, Texas.

### Coming and Going

Mrs. Frank Malone will leave Friday for a visit with Colonel Malone at Maxwell AFB, Montgomery, Ala. The Malones moved to Hope in June from Colorado Springs, Colo., and will make their home in Montgomery later this summer.

A delegation of men from the Christian Men's Fellowship of the First Christian Church are attending the annual Men's Retreat of Arkansas Christian Churches at Pettit Jean this weekend. Rev. Pendleton will attend but will return in time for the regular church services on Sunday.

## Revamping of Majors Is Opposed

NEW YORK (AP) — Realignment of baseball's major leagues to take in Kansas City, Los Angeles and San Francisco is strongly opposed by at least three owners.

The possible shift of several franchises to popular areas now supporting minor league ball has been a red-hot issue ever since the Braves were transferred from Boston to Milwaukee with a marked increase in gate receipts and the American League refused the Browns permission to move to Baltimore.

Del Webb, co-owner of the New York Yankees, suggested at the recent major league meetings in Cincinnati that the American League transfer the Browns and the Philadelphia Athletics to Los Angeles and San Francisco.

And earlier this week The Sports Illustrated publication reported that Webb's Browns are due to leave St. Louis for Kansas City.

Other reports said the Phillies, having out of Philadelphia if the Athletics don't, with either Los Angeles or San Francisco as their destination.

To these reports came answers from owner-president Bob Carpenter of the Phillies, Roy Mack, executive vice president of the Athletics and Chuck Griffith, president and owner of the Washington Senators.

"I'm here to stay," said Carpenter. "If Webb thinks the Pacific Coast is such a swell place to have a ball club, let him move his own club out there and stop trying to run my business."

"One of the troubles with this league baseball now is that inter-continental bankers and guys who get and take they went out to the new picnic grounds where they were served cold watermelon."

life, often changing, good conversation, but nevertheless, people we felt were mostly interested in what we were saying and doing in the evening. The evening in the French Riviera, it offered some good swimming spots which were especially nice after parties in summer.

Then one morning, after a very fine party, there was a "beach scandal." A bad show. An incident.

A junior member of the American embassy took on the diplomatic lists was taking a Gypsy girl to a taxi. I noticed. He reported she reported his attention to the reported, and in the public

in million dollar federal building contracts are being to tell everyone else how to run his business.

Let them attend to their own business, and let me attend to mine. I don't tell them what they should do, and I don't become their voice on that I should do.

Previously, Mac said the Athletics were going to remain in Philadelphia.

Griffith put into the discussion and expressed disapproval of suggested plans to shift the Browns to Kansas City.

"It's not that I have anything against Kansas City," said Griffith. "It's just that they're not so close geographically. I don't want any change that will increase my traveling difficulties."

Griffith added he thought the American League should extend its territory no farther west than St. Louis, pointing out there are several cities such as Baltimore and Minneapolis that would be interested in taking over the St. Louis franchise.

press, that the resented his ad on all foreigners. The diplomatic sources. The paper blamed American rate of 12 rubles to a dollar was can belessness and a lack of respect to 5 to a dollar and then spent for money.

Then I noticed Gypsy almost 4 to a dollar. This wasn't and as much as any people in the city today an exchange rate. It would and I've been around a few numbers on conversation. At the side of a former American hotel have handled his case badly. An ambassador, Admiral Alan G. G. that he was featured, because he didn't apply put it — all the I've never heard of papers with foreigners were thrown up on a vate things.

Then there was the case of another young American whose acquaintance told the ambassador: "He almost got me last night. They tried to push me out of the hotel and there was a large argument about it. When the Russian started to drive off, the American smashed in one of his side windows."

These were signs of the times. A young man from the British Embassy was taken to the Met. complained bitterly about life in Moscow. Very few Russians came to parties. Then no Russians. Two embassies found native places on their premises. They didn't appear to be new ones, but Travel restrictions were clamped they were rigged up with wires.

## Negro Club Council Holds Annual Tea

The Hempstead County Negro Council of Home Demonstration Iron Springs-Blevins Club, held its sixth annual tea Sunday, July 19, from 4 to 7 p.m., on the lawn of Mrs. Janie Wilson's home in the Iron Springs community. Despite the uncertainty of the weather, the tea was very well attended.

The table was beautifully decorated with a white linen cloth overlaid with a lace cloth. Since this is the celebration of the 50th year of Extension work, gold and orchid colors were used for the occasion. Punch was served from a gold colored punch bowl. Gold colored cups were also used. A variety of cookies, mints and candies were served. Mrs. Alcola Wade, Iron Springs-Blevins Club, presided over the guests. Souvenirs of paper, in the shape of the Hempstead County map with the name of the occasion, county council officers, and roster of clubs, trimmed with an orchid satin ribbon bow, were presented each person attending the tea.

Five club queens were presented, as follows:

Mrs. Irene May, Clow H. D. club; Mrs. Georgia Witherspoon, Columbus H. D. Club; Mrs. Arletta Scott, Douglas H. D. Club and council president; Mrs. B. Dady, McCaskill H. D. Club; and Mrs. Rosie Caple, Iron Springs-Blevins Club. These

queens were very beautiful in their evening gowns. All clubs made a partial report and contest is now as follows: Iron Springs-Blevins Club 1st place, McCaskill Club 2nd place, Douglas H. D. Club 3rd place, and the other clubs reported. Final report will be made at our Annual H. D. Club Picnic, August 8. Our winner and county queen will be selected at this time.

Pictures were made. Games were played on the lawn by Mrs. F. S. Smith, our H. D. Agent. Special committees for the occasion were: Arrangements and Decorations — Mrs. Georgia Witherspoon, Mrs. Arletta Scott, Mrs. Alcola Wade, Mrs. Alberta Brown, and Mrs. Georgia Witherspoon. Everyone expressed having enjoyed the occasion and wanted to know when another would be held.

Mrs. Arletta Scott, President; Mrs. Julia Woods, Secretary; Mrs. Pearl Flenory, Reporter.

## Scurlock New Commissioner of Revenues

By LEON HATCH

LITTLE ROCK (AP) — Gov. Francis Cherry today named Vance Scurlock, Jonesboro businessman and former FBI agent, as state revenue commissioner. He succeeds Horace E. Thompson.

Thompson's originally agreed to accept the job only on a temporary basis and told Cherry he would serve no later than Sept. 1. He will devote full time to the presidency of Arkansas AM College at Monticello.

Scurlock, 34, is a native of Hamburg but was reared at Piggott. He graduated from the University of Arkansas College of Business Administration in 1930.

After working for two years for an accounting firm in St. Louis, in Colorado.

Mr. and Mrs. Henry Moore had as weekend guests, Mr. and Mrs. Ed Markham of Dallas.

Miss Hazel Matlock was weekend guest of Miss Onal Daniel in Hope.

Miss Lila Grimes of Morrilton is guest of relatives.

Mrs. C. C. Thomas has returned to Sheridan after a weekend visit at home.

Mr. and Mrs. A. B. Cox and Carolyn have returned to their home in Lincoln, Neb., after a visit with Mr. and Mrs. C. C. Thomas. They were accompanied by Jim Thomas, who will spend the remainder of the summer as their guest.

Mr. and Mrs. R. T. Murry and Mrs. W. N. Murry spent Friday in Hot Springs as guests of Mr. and Mrs. W. N. Murry, Jr.

Mr. and Mrs. Charlie Deas are vacationing in Gulfport, Miss.

He joined the FBI where he was engaged principally in auditing and accounting matters.

He was assigned to Arkansas in 1943 and served at Little Rock, Hot Springs and Jonesboro.

On June 1, 1953, he resigned from the FBI.

He is owner of the Jonesboro Concrete Pipe Co., and a partner in McDaniel-Berg Vault Co., also of Jonesboro.

Scurlock is married to the former Carroll Derland of Fayetteville. They have three children.

Scurlock said that after he arranged his personal business affairs he would study operations of the Revenue Department with Thompson. He said that he didn't know just when he would assume formal charge.

## Senator Bridges Struck in Traffic

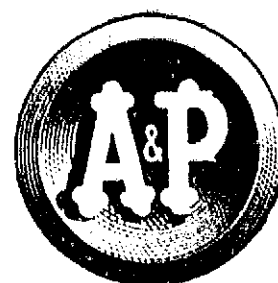

WASHINGTON (AP) — Sen. Bridges (R-MI) remained in a hospital overnight for rest after being struck by an auto on a downtown street corner yesterday.

Bridges, temporary Senate president, was cut and bruised but had no broken bones. No charges were placed against the driver of the auto.

There is virtually no distinction between time and wild render.

## Personal To Women With Nagging Backache

Nagging backache, loss of pep and energy, headache and dizziness may be due to slowing down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritation due to cold or wrong diet may cause getting up night after night to pass water. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these ailments—help the 15 million of kidney tubes and filters flush out waste. Get Doan's Pills today!

# Hope Defeats Camden 4-3 in Non-Leaguer

In a non-league game played at Legion park Wednesday night the Hope Legionnaires came out on top of a 4-to-3 score over the Camden Rocketeers.

A base on balls, combined with back-to-back doubles by Ridling and White and a home run by Filagamo put the Legionnaires in a 3 to 0 lead in the opening inning. Camden picked up a single run in the 4th on a base on balls, two wild pitches and an outfield fly.

In the 6th, they combined 3 hits for another run, and in the 7th a base on balls and a double gave the Rocketeers the tying run.

LeRoy Ridling doubled, and a wild pitch and Marty Filagamo's sizzling single off the third base man's glove gave the Legionnaires their winning run in the 11th inning.

Edgel Nix, who has just returned from ROTC Camp, was the winning pitcher, giving up no run on no hits, walked none and whiffed three in two innings. Reeder Huddleston, starter, gave up one run on three hits, fanned five while walking two. Bob Ross, the second of three pitchers, gave up two runs on four hits, walked two and struck out one.

Billy Thompson, losing pitcher gave up four runs, on six hits struck out nine and walked only three.

Hope travels to Red River Friday night to play the Toms Don Stevens is the probable starter.

# Schoendienst Lost to Cards With Injury

ST. LOUIS (AP) — St. Louis Cardinal second baseman Red Schoendienst was hospitalized last night for what the club physician called a "complete head rest."

Schoendienst, who was hit over the left eye with a thrown ball in New York Tuesday, also had aggravated another injury, a torn abdominal muscle.

Dr. I. C. Middleman said it will be at least a week before the major league's leading hitter will return to action. Schoendienst has a .335 average.

The x-rays showed there was no fracture and no damage to the eye ball. Ten stitches were required to close the wound.

# Rain Plays Havoc With Dixie Games

By JACK SIMMS Associated Press Sports Writer

The Southern Association's front-running Nashville Vols took a look at their schedule for the last two weeks of the season and began hoping they have seen the last of the 1953 rains.

The Vols were rained out again last night in their two scheduled games at Birmingham, Nashville now must finish its home season by playing eight doubleheaders in 11 days, and then go on the road for 11 games which includes four twin bills.

Atlanta missed a chance to move into the Vols. The Crackers doctored Chattanooga 7-2, in the first game of a doubleheader, but the Lookouts took the nightcap.

The Crackers are tied for second with Birmingham, 47 games off the pace.

Little Rock's game with Mobile was postponed by rain and the two met in a twin bill tonight.

New Orleans knocked Memphis out of a tie for third and into fourth place by trouncing the Cubs 3-1 in the first game. The nightcap was suspended after the eighth with the Pels leading 10-6.

It will be completed tonight.

# And Now It's Brooklyn Who Is Unbeatable

By BEN PHLEGAR Associated Press Sports Writer

When the "break up" boys take a look at today's major league standings they may want to consider switching leagues.

Instead of crying "Break up the Yankees" as they have for years, they might find a more appropriate to start chanting "Break up the Dodgers."

Today, for the first time since May 17, the American League has a closer pennant race than does the National League.

Brooklyn's steadily moving Dodgers lead Milwaukee by 5 1/2 games. The New York Yankees own only a 4 1/2-game buffer over Chicago.

The Dodgers took a big stride forward last night by outclassing Chicago in a double-header 9-3 and 11-1 as Milwaukee bowed to Philadelphia 6-3.

The Yankees frittered away a full game of their lead by losing to Cleveland 6-4 for the second straight night after the White Sox closed Boston 1-0.

## Churchill Out for a Month, Friends Say

By HAROLD GUARD

LONDON, (UPI)—Prime Minister Winston Churchill must rest at least one more month before resuming his role of active leadership of the government, an informed source said today.

But "the old man is well enough to let any of us know his opinion of what he calls 'shilly-shallying in the conduct of affairs during his absence,'" the source said.

Churchill was ordered on June 22 to rest at least one month at Chartwell, his country estate in Kent. The action postponed the scheduled Bermuda conference with President Eisenhower and French Premier Joseph Laniel.

The source of the latest Churchill report, denied persistent reports that U. S. Secretary of State John Foster Dulles had asked a victory over Britain's acting Foreign Secretary Lord Salisbury and cabinet member Churchill's idea of a four-power meeting at the highest level during the "Little Bermuda" conference at Washington.

"The reports are not true," the source said. "Dulles knows Churchill was not well. He knows he could not possibly take part in a four-power meeting. The old man still is not well. He wants at least another month to recover. In the meantime, Dulles knows we must tread water."

The source said Churchill was chafing against his inactivity and feeling "very tough about a lot of things."

In particular, the source said, Churchill appeared determined to insist that on his views on Anglo-Egyptian negotiations over the Suez Canal zone.

If and when negotiations are resumed, Churchill wants them to be conducted on the same basis as in the past.

Churchill also has his own ideas on the range of the "Cross in Russia," the source said. He believes "the whole Soviet regime is 'turning down' and 'only too pleased to start pulling in their horns'."

## U. S. Won't Discuss China Seat in UN

WASHINGTON, (UPI)—Secretary of State Dulles today gave notice that the United States would refuse to discuss the admission of Communist China to the United Nations at the prospective Korean political conference.

Dulles told a news conference he did not think this question would be appropriate to bring before the conference, which is scheduled to follow 90 days after an armistice.

It was the administration's first definite stand on this issue. Dulles had indicated earlier that the United States will be willing "for the conference to consider" Far East subjects besides a Korean settlement.

The secretary today indicated the United States will want to discuss measures to prevent Communist forces released by the truce from being used for new aggression in Indochina or elsewhere.

Dulles avoided any predictions about the outcome of the armistice negotiations. He said a number of matters remained to be ironed out, such as the mapping of battle lines, physical arrangements for handling war prisoners and the problems of translations.

He said these ought not to be muddled if there is a real will to have an armistice, but he added quickly that whether the Communists have this will is not certain.

Asked about new uncertainties over the South Korean attitude caused by Foreign Minister Pyung Yung Tai, Dulles said there were no qualifications that he was aware of. If the statement of President Rhee that he will not take any measures to impede carrying out of the armistice. The foreign minister told a reporter at Seoul that South Korea might change its attitude toward a truce unless it receives assurances from Washington that Korea will be unified and 2. guarantees on how to stop possible new Red aggression.

## Russian Envoy Reaches Belgrade

BELGRADE, Yugoslavia (AP)—V. A. Valkov, the Soviet Union's new ambassador to Yugoslavia, arrived in Belgrade today. He refused to give any statement to the press but said he would receive newsmen "soon."

Yugoslavia and the Soviet Union recalled their ambassador after Marshall Tito's break with the Communists in 1948. Since then, each has been represented in the other's capital by a chargé d'affaires.

Early last month the Soviet government proposed an exchange of Ambassadors as a move interpreted in the West as part of the Kremlin's post-Stalin peace campaign.
